*Motor only

Metal Brushroll

Highly durable and features replaceable brushstrips

Clean-Out Port

Provides easy access to clear away debris

1. Dirt is pulled in and drawn through the vacuum bag.
2. Dirty air is forced through the filter.
3. Only filtered air passes through the fan and motor system and through the HEPA filter back into the room.
4. The sealed vacuum traps in dirt and odors.

Quick Draw Tools

Extends your cleaning reach
