

CLEANMAX[®]

Commercial Vacuums by Tacony Corporation

CleanMax Pro-Series Vacuums by Tacony Corporation are built to stand up to the toughest cleaning challenges day after day. Metal components are used throughout the high-wear areas of the vacuum and the fan and motor are protected by the Clean Air System.

But durability is only part of the story. With Quick Draw on-board tools, the vacuum's powerful suction is available at your fingertips for above floor cleaning, and the HEPA media filter ensures what's captured by the vacuum stays in the vacuum.

- 10 AMP Capped Motor
- Clean Air System
- New Full Bag Indicator
- HEPA Media Filtration Standard
- Thermal and Pressure Activated Motor Protection
- Metal Handle, Cord Hook and Bottom Plate
- Quick Draw Tools with 12-Foot Cleaning Reach
- Aluminum Telescopic Wand

PRO-SERIES QUICK DRAW

Model: CMP-3QD

SPECIFICATIONS

Model CMP-3QD

PERFORMANCE

Motor	10 AMP Capped Motor with Thermal Protection
Cleaning System	Clean Air Design
CFM Average	107*
Inches of Water Lift	110*
Tools	Telescopic Aluminum Wand, Crevice Tool & Dusting Brush
On/Off Switch	On Body
Cord	6.5-Inch Pigtail with (2) 30-Foot Commercial Grade Cords
Nozzle Width	14 Inches
Edge Cleaning	Front and Side
Height Adjustment	Automatic
Decibel Rating	Less than 70 dBA
Weight	17 lbs.
Certifications	LEED Qualifying, ETL Approved

DURABILITY

Brushroll, Bottom Plate and Handle	Metal
Brushstrips	4 Replaceable Brushstrips for Quad Cleaning
Warranty	2 Year Motor, 1 Year

FILTRATION

Vacuum Bag	HEPA Media Bag, Cloth (Shake out) Optional
Post Filter	HEPA Media

*Motor only

Tool-Less Belt Change

Quick and easy maintenance reduces downtime

Quick Clean-Out Port

Provides easy access to clear away debris

Quick Draw Tools

Extends your cleaning reach

1. Dirt is pulled in and drawn through the vacuum bag.
2. Dirty air is forced through the filter.
3. Only filtered air passes through the fan and motor system and through the HEPA Media filter back into the room.
4. The sealed vacuum traps in dirt and odors.
